<b>CML BLUE LASER 3W 445nm (visible blue).....</b>	<b>10</b>
<b>FIBER TIP ACCESSORIES .....</b>	<b>11</b>
Handpiece for Fiber TIP (with optical fiber 200 µm x 2 mt.).....	11
Fiber Tip 200 µm (pack of 5 disposable tips) .....	11
Fiber Tip 300 µm (pack of 5 disposable tips) .....	11
Fiber Tip 400 µm (pack of 5 disposable tips) .....	11
TIP for Bio-Stimulation (planar wave) .....	11
45° TIP for Bio-Stimulation (defocused).....	12
Arcade TIP for bleaching.....	12
TIP for Dermal therapy.....	12
Handpiece kit .....	12
<b>OPTICAL FIBER ACCESSORIES.....</b>	<b>13</b>
Biostimulation handpiece with 400µm fiber.....	13
Zoom physiotherapy handpiece with 400µm fiber .....	13
Defocused handpiece for bleaching and Biostimulation (fiber not included).....	14
Handpiece “CONTACT” type for surgery .....	14
Kit accessories for “CONTACT” handpiece” : .....	14
Optical Fiber 200µm x 2m with double SMA .....	15
Optical Fiber 400µm x 2m with double SMA .....	15

Optical Fiber 200µm x 2m with single SMA .....	15
Optical Fiber 400µm x 2m with single SMA .....	15
Fiber stripper .....	16
Fiber cutting tool .....	16
<b>GENERIC ACCESSORIES FOR LASERS.....</b>	<b>17</b>
Wired Footswitch .....	17
Wireless Footswitch .....	17
Battery Charger for Wireless Footswitch .....	17
Laser protective glasses for wavelength 635-810 nm.....	18
Laser protective glasses for wavelength 520-810 nm. ....	18
Laser protective glasses for wavelength 435-450 nm.....	18
Interlock Connector (2 pieces).....	18
Power Supply / Battery Charger for Lasers (incl. AC cable 15.00.8013).....	18
Lithium Battery 12,6V 100Wh .....	18
Hand-piece carrier – grey colour.....	19
Hand-piece carrier – white colour .....	19
Protective cap for Laser port (set of 10 pieces).....	19
Protective cap for fiber (set of 10 pieces).....	19
Suitcase .....	19

# INTRA-ORAL WELDER

For Immediate Loading Dental Implantology

## Intraoral Welder Smart IW - Standard kit

code: NB.0220.8004

- Intra Oral Welder SMART IW
- Ergonomic pliers
- Pair of cable to connection with the pliers
- Power cable of 2mt
- Wired Footswitch
- User manual

# ACCESSORIES FOR INTRA-ORAL WELDER

Code	Description	Picture
33.00.7125	Ergonomic Pliers.	
18.09.0002	Rounded copper TIP electrodes for pliers (set of two tips)	
18.09.0006	Flat copper TIP electrodes for pliers (set of two tips)	
18.09.0069	Conic copper TIP electrodes for pliers (set of two tips)	
18.09.0003	Double ended Open-Jaw Wrench to fasten the TIPS and the nuts of the pliers.	
18.09.0009	Magnetic Holder for Pliers of the Intra oral welder	

Code	Description	Picture
15.01.8030	Pair of cable to connection with the pliers	
NB.0220.7967	Wired Footswitch.	
15.00.2024	Power cable of 2mt.	
18.08.7128	Titanium rod Ø1.2mm length 20 cm and grade 2 (pack of 5 pieces)	
18.08.7129	Titanium rod Ø1.5mm length 20 cm and grade 2 (pack of 5 pieces)	
18.08.7130	Titanium rod Ø2.0mm length 20 cm and grade 2 (pack of 5 pieces)	

# CML BRAVE LASER 15W 810nm (infrared)

## CML BRAVE with standard kit

green pointer 2mW 520nm:99.0224.1103

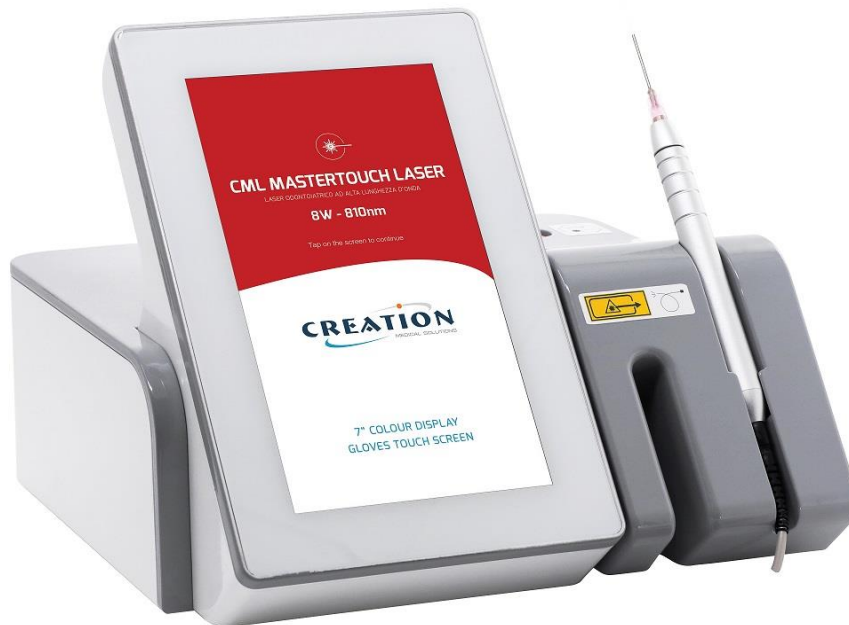

red pointer 2mW 635nm: 99.0224.1002

dual emission for therapy 0.2W 635nm: 99.0224.1005

- 1 CML Brave Laser 15W/810nm (for version see above)
- 1 Defocused "no-contact" handpiece
- 1 "Contact" handpiece for surgery
- 1 Fiber 200µm x 2m with double SMA
- 1 Fiber 200µm x 2m with single SMA
- 1 Fiber 400µm x 2m with single SMA
- 3 Laser protective glasses
- 1 Foot switch
- 1 Power supply
- 1 Battery (installed inside the laser)
- 1 Remote Interlock
- User manual, certificate of warranty and adhesive safety signs

# CML MASTERTOUCHE LASER

## 8W 810nm (infrared)

### CML MASTERTOUCHE with standard kit

green pointer 2mW 520nm: 99.0224.1102

red pointer 2mW 635nm: 99.0224.1001

dual emission for therapy 0.2W 635nm: 99.0224.1004

- 1 CML Brave Laser 8W/810nm (for version see above)
- 1 Defocused "no-contact" handpiece
- 1 "Contact" handpiece for surgery
- 1 Fiber 200 $\mu$ m x 2m with double SMA
- 1 Fiber 200 $\mu$ m x 2m with single SMA
- 1 Fiber 400 $\mu$ m x 2m with single SMA
- 3 Laser protective glasses
- 1 Foot switch
- 1 Power supply
- 1 Battery (installed inside the laser)
- 1 Remote Interlock
- User manual, certificate of warranty and adhesive safety signs

# CML EASYTOUCH LASER

5W 810nm (infrared)

## CML EASYTOUCH with standard kit

red pointer 2mW 635nm: 99.0224.1000

- 1 CML Brave Laser 5W/810nm
- 1 Defocused "no-contact" handpiece
- 1 "Contact" handpiece for surgery
- 1 Fiber 200µm x 2m with double SMA
- 1 Fiber 200µm x 2m with single SMA
- 1 Fiber 400µm x 2m with single SMA
- 3 Laser protective glasses
- 1 Foot switch
- 1 Power supply
- 1 Battery (installed inside the laser)
- 1 Remote Interlock
- User manual, certificate of warranty and adhesive safety signs

# CML BLUE LASER

## 3W 445nm (visible blue)

### CML BLUE with standard kit

red pointer 2mW 635nm: 99.0224.1003

- 1 CML Brave Laser 3W/445nm
- 1 Defocused "no-contact" handpiece
- 1 "Contact" handpiece for surgery
- 1 Fiber 200µm x 2m with double SMA
- 1 Fiber 200µm x 2m with single SMA
- 1 Fiber 400µm x 2m with single SMA
- 3 Laser protective glasses
- 1 Foot switch
- 1 Power supply
- 1 Battery (installed inside the laser)
- 1 Remote Interlock
- User manual, certificate of warranty and adhesive safety signs

# FIBER TIP ACCESSORIES

Code	Description
31.00.7694	Handpiece for Fiber TIP (with optical fiber 200 um x 2 mt.)

Code	Description
31.01.7880	Fiber Tip 200 $\mu\text{m}$ (pack of 5 disposable tips)
31.01.8001	Fiber Tip 300 $\mu\text{m}$ (pack of 5 disposable tips)
31.01.7881	Fiber Tip 400 $\mu\text{m}$ (pack of 5 disposable tips)

Code	Description
31.01.7909	TIP for Bio-Stimulation (planar wave)

Code	Description
31.01.0001	45° TIP for Bio-Stimulation (defocused)

Code	Description
31.01.0000	Arcade TIP for bleaching

Code	Description
31.01.0002	TIP for Dermal therapy

Code	Description
31.00.0001	<p>Handpiece kit</p> <ul style="list-style-type: none"> <li>• handpiece for TIP with Fiber of 2m. length (SMA ended),</li> <li>• defocused arcade TIP for bleaching and</li> <li>• 45° TIP for Biostimulation.</li> </ul>

# OPTICAL FIBER ACCESSORIES

Code	Description
31.00.0005	Biostimulation handpiece with 400µm fiber

Code	Description
31.00.0006	Zoom physiotherapy handpiece with 400µm fiber

Code	Description
31.00.7333	Defocused handpiece for bleaching and Biostimulation (fiber not included).

Code	Description
31.00.7343	Handpiece "CONTACT" type for surgery (fiber not included)

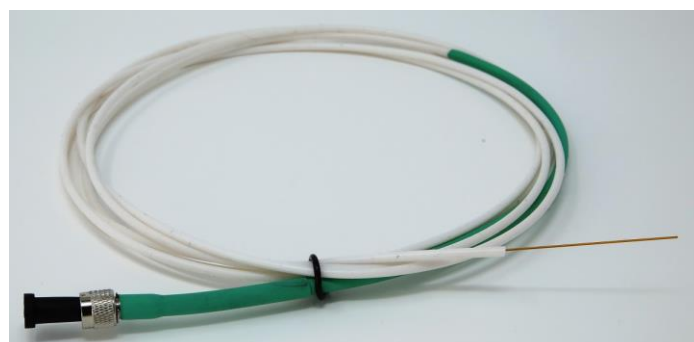

Code	Description
31.01.8070	Kit accessories for "CONTACT" handpiece": <ul style="list-style-type: none"> <li>• 5 intraoral plastic tips</li> <li>• 3 rubber retainers for 200um fiber</li> <li>• 3 rubber retainers for 400/600 um fiber</li> </ul>

Code	Description
31.01.7342	Optical Fiber 200 $\mu$ m x 2m with double SMA
31.01.7597	Optical Fiber 400 $\mu$ m x 2m with double SMA

Code	Description
31.01.7340	Optical Fiber 200 $\mu$ m x 2m with single SMA

Code	Description
31.01.0005	Optical Fiber 400 $\mu$ m x 2m with single SMA

Code	Description
33.00.7455	Fiber stripper

Code	Description
31.00.7951	Fiber cutting tool

# GENERIC ACCESSORIES FOR LASERS

Code	Description
99.0180.0000	Wired Footswitch

Code	Description
99.01.2614	Wireless Footswitch

Code	Description
21.03.0012	Battery Charger for Wireless Footswitch

Code	Description
31.00.7334	Laser protective glasses for wavelength 635-810 nm
31.00.0002	Laser protective glasses for wavelength 520-810 nm.
31.00.0003	Laser protective glasses for wavelength 435-450 nm.

Code	Description
15.01.0146	Interlock Connector (2 pieces)

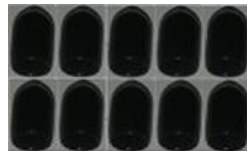

Code	Description
21.03.0009	Power Supply / Battery Charger for Lasers (incl. AC cable 15.00.8013)

Code	Description	
25.02.0006	Lithium Battery 12,6V 100Wh	

Code	Description
99.0224.9000	Hand-piece carrier – grey colour
99.0224.9001	Hand-piece carrier – white colour

Code	Description
18.08.8071	Protective cap for Laser port (set of 10 pieces)

Code	Description
18.08.8072	Protective cap for fiber (set of 10 pieces)

Code	Description
22.02.7346	Suitcase
